

# BEN SCHIDLA

ACTOR

Height: 5ft10    Weight: 160 lbs.    Figure: athletic    Hair Color: dark blond    Eye Color: blue

I was born and raised in Vienna, Austria. Since I can remember, acting has been my one true passion. After graduating from secondary school I started making professional experiences and could intensify and expand those through training at AADA in Los Angeles, at VETA and at RADA in London. With all the experiences I've made so far, a lot of passion, flexibility and a modern mindset I bring professionalism and creativity to any production.
